...have been richly blessed by our gracious God. We wish to share the greatest blessing that God through His Son Jesus gave us. We want to reach out to the many people in our region and throughout the world and therefore, we prayerfully commit ourselves to the following Mission Goal for 2019.

The Mission Journey continues as we proclaim this message in many different ways and settings. Even though we are separated geographically, we know what God has done for us in giving us His grace and mercy. Proclaiming that grace and mercy is our life long purpose as we travel in the journey of life. We pray that God would continue to lead us as He has promised.
